

MWAHA Background Screening Information

Consent to Screen (if 18+ years old by August 1st): MWAHA and USA Hockey SafeSport policies require all officials over the age of 18, to have a current background check on file. To initiate the annual background check process, you will need to complete the following form [HERE](#). Your information will then be sent to the MWAHA Registrar, at which time they will authorize your screening through the Affiliate's third-party administrator, Sterling Volunteers. Once your information is received, you will be sent an automated email that includes further instruction on how to complete your screening process.

Important Note: The screening process can take anywhere from several days, to a week to complete. Because of this, **DO NOT** wait until the last minute to complete this, as you may not be eligible to attend your desired seminar.

If you have questions, please review the MWAHA screening policy at <https://www.tristatehockey.com/safesport> or email Jordan Crowell at jpcrowell55@gmail.com.
